

BIBLE STUDY OUTLINE

Living for God, Shining Your Light In This Generation.

Anchor Scriptures: Matthew 5:14-16 NKJV, John 1:4-5, Isaiah 60:1, 2 Corinthians 2:14-15 TPT, 1 Timothy 4:12 AMP

As believers, it is of great importance that our whole lives portray the character and charisma that Jesus Christ possessed. Jesus Christ is the perfect example and model of an individual that walked the earth and lived fully for God. Jesus, knowing the essence of us living for God did not leave us to figure that part of our faith walk on our own but rather He sent us the Holy Spirit of promise to teach, guide and empower us.

Living for God involves being intentional about shining your light. Every new creation in Christ has a generous deposit of God's light in him or her. It is now our responsibility as growing believers, to partner with the Holy Spirit to shine his light brighter and brighter until that perfect day.

We must altogether agree that we are in the last days, and in the last days, walking and functioning by light is not an option. It is a requirement.

The prophet Isaiah said in Isaiah 60:2 that “For behold the darkness shall cover the earth and gross darkness the people...”

The only appropriate response to this darkness spoken of is LIGHT.
